

Instructions

Call out the letters seen in cards. Students have to search in the dictionary for words beginning with the letters called out. They have to write the word and its meaning. They can write as many words as they can in 5 minutes.

Sample:

- ab**
1. abrupt - sudden
 2. above - at a higher level than
 3. able - capable of doing something
 4. abolish - put an end to law or custom
