

Subject Verb Agreement

Instructions:

Up to five students can play this game. Among them three students will have words with three different colours. Eg. Student one will have red coloured words, student two will have blue coloured words and student three will have black coloured

words. Student one has to place a red coloured word, students two and three have to place blue and black coloured word. Student four has to frame a sentence from these three words. The fifth student has to tell a sentence which means the opposite. In the next round they interchange their roles.
