

## TOR – COP for Teacher Educators – IT for Change

### TOR for ITfC

1. ITfC would work with DSERT on the overall design, planning and implementation of the Teacher Educator Communities of Practice project including for identifying suitable DIET faculty for the workshops
2. ITfC would co-ordinate, design and conduct two **workshops** for Karnataka DIET faculty, including the following tasks
  1. Prepare the agenda and finalize it in discussions with DSERT and CEMCA
  2. Prepare the course material
  3. Provide the resource team to conduct the workshop
  4. Provide necessary hardware/software resources for the workshop
3. To **sustain** the forum, the ITfC team would regularly post materials and study groups/ discussions on the mailing lists
4. Building **links** between this forum and other relevant forums<sup>1</sup> that are constituted by specific subject areas, geographies, interest areas etc.
